

Focus on Median-crew supervisor information

From the Ecology Youth Corps

Median-Crew Supervisor Job Information

The Ecology Youth Corps (EYC) Program is made possible through the Waste Reduction, Recycling and Model Litter Control Act. It is funded by a tax paid by businesses that manufacture, distribute, or sell products that contribute to the litter problem.

Median road crews pick up litter and recycle materials from interstate freeways and state highway medians and other difficult road areas. Crew members are at least 18 years old. Most employment occurs during the spring and fall, with possible summer activity.

EYC crew-supervisor applicants must possess a valid driver's license, have an excellent driving record, have graduated from high school or possess a GED equivalent **and** have two years of supervisory **or** lead experience working with youth in a labor-intensive environment. Two years of college-level coursework in social sciences, education, resource conservation, or related fields may be substituted for the required experience.

Special Note: Applicants must provide adequate documentation to verify eligibility to work in the United States.

PLEASE NOTE:

Hiring is based on the results of our standardized interview. Former supervisors must reapply for consideration each year. You will be notified regarding your interview status.

Crew supervisors are required to sign a Driving Record Release authorization form. Any conviction within the preceding three-years for hit and run driving; driving while intoxicated or impaired; reckless or negligent driving; a suspension or revocation of driver's license for cause involving the operation of a motor vehicle; or the accumulation of three or more moving violation convictions will eliminate an applicant for employment consideration with the Ecology Youth Corps.

Crew supervisors are also required to complete a Request for Criminal History Information form. A background check is conducted by the Washington State Patrol, under the Child/Adult Abuse Information Act, RCW 43.43.830-840.

All EYC crew supervisor positions are temporary. If you are seeking permanent employment, contact the Department of Ecology Employee Services Office, P.O. Box 47600, Olympia, WA 98504-7600.

Please send your completed application to the appropriate Ecology regional office listed on the reverse side.

For more information, either contact the local EYC regional coordinator listed on the next page, or visit our website at:
<http://www.ecy.wa.gov/programs/swfa/eyc/>

IMPORTANT - Where to Send Your Application

Locate the COUNTY you want to work in from the first or third column below.

Send your application to the Regional Office listed to the right of your county's name.

COUNTY	NORTHWEST REGION
Island King Kitsap San Juan Skagit Snohomish Whatcom	EYC Coordinator Department of Ecology Northwest Regional Office 3190 - 160th Ave SE Bellevue, WA 98008-5452 Phone 425-649-7224 Fax 425-649-7098

COUNTY	SOUTHWEST REGION
